

# Go Down Singing

Michelle Chamuel

(Go down [6x]  
Go down singing)

I see everybody staring  
At you and the clothes that you're wearing  
It seems like nothing's ever good enough  
(Enough, enough, enough)  
(Singing)

I heard everybody saying  
That you are never gonna fit in  
It feels like you're never good enough  
(Enough, enough, enough)  
(Singing)

When you're lost and can't be found  
Just lift your head and stand your ground  
It's always dark before the dawn  
So raise your voice and sing this song (song, song)

You can tell me what's right  
You can say that I'm wrong  
You can tell me I'm weak  
So you can think that you're strong

But you can't take my soul  
Or the gifts I've been given  
I'mma go down, go down  
Go down singing

You can build yourself up  
When you're putting me down  
You can think you're a king  
'Cause you've taken my crown

But you can't stop the fight  
For the life that I'm living  
I'mma go down, go down  
Go down singing

I know just how you're feeling  
Locked up, inside you're screaming  
It's like no one ever hears a sound  
(Sound, sound, sound)  
(Singing)

I've been hurt in the same way  
But trust, tomorrow is a new day  
You've got everything you need inside  
(Inside, inside, inside)  
(Singing)

When you're lost and can't be found  
Just lift your head and stand your ground  
In the dark before the dawn  
We raise our voice and sing this song (song, song)

You can tell me what's right  
You can say that I'm wrong  
You can tell me I'm weak  
So you can think that you're strong

But you can't take my soul  
Or the gifts I've been given  
I'mma go down, go down  
Go down singing

You can build yourself up  
When you're putting me down  
You can think you're a king  
'Cause you've taken my crown

But you can't stop the fight  
For the life that I'm living  
I'mma go down, go down  
Go down singing

Yeah, yeah, yeah, yeah (singing)  
Yeah, yeah  
I'mma go down, go down  
Go down singing

Eyes on me, wait and see  
They don't know what's about to begin  
Standing proud, face the crowd  
All I know is how bright I'm shining

I'll be free, lose or win  
I'm gonna go down singing

Yeah, yeah, yeah, yeah, singing  
(Go down singing)  
Yeah, yeah, I'mma go down, go down, go down singing  
(Oh, no, can you hear it?)

Yeah, yeah, yeah, yeah, singing  
(I'm singing, I'm singing, whoa)  
Yeah, yeah, I'mma go down, go down, go down singing  
(Singing, I'm singing)

(Singing [8x])

When you're lost and can't be found  
Just raise your voice and sing this song
