

# Careful

Michelle Featherstone

It's the little things  
They pulled me in  
And I'm defenseless

I tried to ignore  
Like I've done before  
But it's just useless

I've made up my mind  
That I'm gonna let you in  
And I'm not afraid  
But I have to say

This is gonna hurt if it ever ends  
But somehow you have shattered my defense  
This is gonna hurt if it ever starts  
So promise you'll be careful with my heart

It's the things you do  
That made me fall hard for you  
And I can't help it

And it's everyday  
That I feel this way  
So just don't stop it

I've made up my mind  
That I'm gonna let you in  
And I'm not afraid  
But I have to say

This is gonna hurt if it ever ends  
But somehow you have shattered my defense  
This is gonna hurt if it ever starts  
So promise you'll be careful with my heart

I won't make excuses  
They just all seem useless  
And you don't have the time  
I guess I'll take my chances  
Now that I know love is on the line

This is gonna hurt if it ever ends  
But somehow you have shattered my defense  
This is gonna hurt if it ever starts  
So promise you'll be careful with my heart
