

Sweet Sweet Baby

Michelle Featherstone

Sweet sweet baby
I said maybe
Maybe you should stay with me
Sweet sweet baby
I think maybe
Maybe you shouldn't leave

Sweet sweet baby
I go crazy
Crazy when I think of you
Sweet sweet baby
I go crazy
If I can't cuddle up to you

So baby, oh, baby
Please don't go
Yeah, baby
Oh, sweet baby
Please don't go
You're the only one
You're the only one
You're the only one
You're the only one
For me

Sweet sweet baby
Can you save me?
Save me from a night without you
Sweet sweet baby
Can this save me?
The way that I am going to save you

So baby, oh, baby
Please don't go
Yeah baby
Oh, sweet baby
You're the only one
You're the only one
You're the only one
You're the only one
For me

You're the only one
You're the only one
You're the only one
Yeah, you're the only one
For me
