

Christ Of Hope

Michelle Tumes

As I travel far from kinships
As I wander far from home
May He grace you with His favor
And breathe the fragrance of His love

May His angels watch and keep you
As you slumber through the night
The gentle hand of God will touch you
As He wakes you with the morning light

May He bring you hope
Hope you have never, never known
May the Christ of hope
Embrace you evermore

As I travel far from kinships
As I wander far from home
May He grace you with His favor
And breathe the fragrance of His love

May He bring you hope
Hope you have never, never known
May the Christ of hope
Embrace you evermore

May He bring you hope
Hope you've never, never known
May the Christ of hope
Embrace you evermore

May He bring you hope
Hope you've never, never known
May the Christ of hope
Embrace you evermore

May He bring you hope
Hope you've never, never known
