

Amazing Love

Michelle Williams

Your love is amazing
Don't know why you love me like you do
In spite of my wrong you've been there all along
That's what I call amazing love

I know that I'm not perfect
Sometimes I make mistakes
I live my life and I try to be faithful
Doesn't always turn out that way

Still Your grace falls on continually
Everyday brand new mercys I see (mercys I see)
Givin' me a chance to try again
Always givin' me just what I need
I'll tell the world

Your love is amazing
Don't know why you love me like you do (love me like you do)
In spite of my wrong you were there all along
That's what I call amazing love

You look beyond my faults
And see just what I need
You didn't give up in my weakest moment
You want what's best for me

Still Your grace goes on continually
Everyday brand new mercys I see (mercys I see)
Givin' me a chance to try again
Always givin' me just what I need
Your love

Your love is amazing
Don't know why you love me like you do (love me like you do)
In spite of my wrong you were there all along
That's what I call amazing love
