

## Better Place (September 11)

Michelle Williams

Let me tell you I appreciate all the  
love and strength you've shown  
I know it's hard to keep a smile on your face  
And nobody could ever take their place  
Every Mother  
Every Sister, Brother  
Every child that's now gone  
I know they're smiling looking  
Down on your face in a better place  
I hear them saying

Can't nobody hurt me  
Can't nobody fade me no  
Uh Uh I'm resting in a better place  
Can't nobody harm me  
Can't nobody touch me  
Nooo Uh Uh I'm resting in a better place

I keep standing in the trials of life even  
if I stand alone  
Through the times when I feel  
I can't go on  
I feel a hand pushing me up y'all  
Michelle don't have no time for haters  
This journey will be love  
I'm in much better state of mind  
And this is where I'll stay  
A better place

Can't nobody hurt me  
Can't nobody fade me no  
Uh Uh I'm resting in a better place  
Can't nobody harm me  
Can't nobody touch me  
Nooo Uh Uh I'm resting in a better place

No more sorrow  
I'm okay now  
I miss you  
I'm always in your heart

Can't nobody hurt me  
Can't nobody fade me no  
Uh Uh I'm resting in a better place  
Can't nobody harm me  
Can't nobody touch me  
Nooo Uh Uh I'm resting in a better place

OOOo ah ah ah  
gon ahead and say oooh  
ooh ooh  
gon ahead and say ooh  
UH UH UH UH UH UH UH (NO)  
UH UH UHUh Uh UH Uh Uh UH
