

# Lucky Girl

Michelle Williams

Rico Love go!

Sometimes he calls me on the phone  
Just to tell me he loves me  
More than anyone else in the world  
And when he gets me all alone  
Ooh, he kisses and he hugs me  
And he let's me know that I'm his only girl

He works me like a full time job, no  
But I'm lucky that he takes me there  
So out of this world  
It's hard to believe  
That he loves a girl  
And that girl is me

I am the luckiest girl, Luckiest girl  
Oh oh  
Oh oh  
I feel so lucky right now  
I am the luckiest girl  
Oh oh  
Oh oh - Look what you doing  
So high you can't bring me down  
I am the luckiest girl

I don't have to say a word  
Cuz he knows what I'm feeling  
Just by looking in my eyes  
(I am the luckiest girl)  
I don't stress them others birds, no  
Cuz I walk on the ceiling  
His love is making me high

Anytime there's something wrong, oh  
He got a special way of carrying me on  
So out of this world  
It's hard to believe  
That he loves a girl  
And that girl is me

I am the luckiest girl, Luckiest girl  
Oh oh  
Oh oh  
I feel so lucky right now  
I am the luckiest girl  
Oh oh  
Oh oh  
So high you can't bring me down  
I am the luckiest girl

So out of this world  
It's hard to believe  
That he loves a girl  
(I am the luckiest girl)  
And that girl is me  
I walk on the clouds

Tour on the stars  
Somebody call the lawyer  
Cuz he just stole my heart

I am the luckiest girl, Luckiest girl  
Oh oh  
Oh oh  
I feel so lucky right now - you know I feel so lucky  
right now  
I am the luckiest girl  
Oh oh  
Oh oh  
So high you can't bring me down

I am the luckiest girl  
I feel so lucky right now  
Oh oh  
So high you can't bring me down
