

You Care For Me

Michelle Williams

There are times that I can count and say, that life seems so unfair.
I just wanna be in your presence lord, because there is safety there.
For' I know, that you, will not put more on me than I can bear.
So I, will trust you, for' I know that you care, I know you care for me...

Oh. I know that you care for me.
That's why I can stand and fight. (I know that you care...yeah yeah yeah)
I can make it through the night.
Because you care for me. (lift your voice and say oh...)

Oh. I know that you care for me. (oh, oh, oh, ooh)
That's why I can stand and fight.
I can make it through the night.
Because you care for me. (care for me, care for me)

So right in the midst of my storm, I have peace within my heart.
I know that your by my side, and your presence will never depart.
For' I , I believe, that all my burdens you will share.
So I caste them on you.
Cause I know that you care, I know you care for me...

Oh. I know that you care for me. (oh I know)
That's why I can stand and fight.
I can make it through the night. (I can make it through the night)
Because you care for me.

Singin' oh, ooh.

Oh. I know that you care for me. (oh. I know that you care, care for me)
That's why I can stand and fight.
I can make it rthrough the night. (yeah, because you care, you care for me)
Because you care for me.

When I was down (you lifted me)
When I was sick (you healed me)
That's why I depend on you, cause I know your love is true.
Oh. So true.
And I love you, And I praise you.
I'll praise your name, Yes I will.
Cause I'll never ever be the same. No No.
Your a wonderful conselor, mighty God,
That's just what you are to me. Yeah!
