

# Shut Up And Kiss Me Or Just Shut Up

Michelle Wright

You can talk about it talk about it  
You can do it all night long  
Yeah you can talk about it 'til you're blue  
You can mass communicate reiterate

But when the morning comes  
Will you still not have a clue  
Now don't be a hypocrite  
I'll get too sick of it  
If you're only talking in vain

Shut up and kiss me  
Or just shut up  
Shut up and kiss me  
Or just shut up

Pacify me don't deny me  
Satisfy my primal urge  
'Cause you know we'll feel much better when we do  
Talk is cheap but love is sweet

Without those words and  
Actions speak much louder than they do  
My heart is a battleship  
Ever so passionate  
Take it before it's too late

I want to lose myself  
Don't you  
We've waited so long  
For this moment

What feels so right  
Is loving you  
And your heart is all you need to  
Tell you what you have to do

Shut up and kiss me  
Shut up and kiss me  
Or just shut up  
Just shut up  
Just shut up
