I am standing by the river
I will be standing here forever
Tho you're on the other side
My face you still can see
Why won't you look at me
Here l am

I am searching thru the canyon
It is your name that I am calling
Tho you're so far away
I know you hear my plea
Why won't you answer me
Here I am

I am in the blood of your heart

The breath of your lung
Why do you run for cover
You are from the dirt of the earth
And the kiss of my mouth
I have always been your lover
Here I am

I am the promise never broken And my arms are ever open In this harbor calm and still I will wait until Until you come to me Here I am
