

SS C'Est Bon

Mick Harvey

So these are senseless assassins
An assassins association
Since the Anschluss these suckers
Exsanguinate the sweet jew

SS c'est bon, c'est bon c'est bon

So silly one senses no stress
As it is censured and suppressed
In Silesia outside Prussia
This process has success

SS c'est bon, c'est bon c'est bon

So these are senseless assassins
An assassins association
Since annexation Austria
Was also sucking juice

SS c'est bon, c'est bon c'est bon

It's safe it seems oh so secure
As it's a sensation so sure
In Auschwitz south east Katowitz
Ze system was ze best

SS c'est bon, c'est bon c'est bon
