

# I Get Even

Mickey Avalon

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

A bird in the bush for the kush in the closet  
I am the pusher-man, I am the product  
Searchin' for a new narcotic  
I ran to the crossroads, signed on the dotted

Bullseye, hit the target  
Deaf motherfucker, leading your retarded kids  
You should have never started this,  
Now Mickey bought a shotgun, and a box of cartridges

So get your moms on the line  
I'll pass the phone, you can say goodbye  
I'm a lover not a fighter, but I take what's mine  
Yeah I'm high motherfucker, not stupid or blind

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cock the hammer and let it fly  
It's a tooth for a tooth and an eye for an eye  
Mickey got a zip gun, made your dad a tin drum  
Fuckin' with the Av, thank good for your system

Top choice with the tinfoil voice  
If my tongue don't do it,  
Then my flows get you moist  
Shoot to kill was the click I claimed  
Line em' up on the wall and let's take aim

Mickey Av got this shit in the bag  
Keep yo' ass off my block and you won't get shot  
Fag  
I'm the best in the biz'  
And if your mommy don't like it she can suck my dick

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Fool me once, shame on you  
Try it again I'll break that ass in two  
I'm the taxman, here to collect  
I take ass, cash and travellers cheques

Avalon on some Wild West shit  
Shoot em' up and watch em' pile up quick  
I never said that I would serve and protect ya  
Just 'cause you slurred up tha nectar

You're like a rat chasin' cheddar  
Get out the race you're tank can't get there  
And now you wanna call it off  
They should'a killed me in the holocaust

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even

Cross my heart and hope to die  
A tooth for a tooth and an eye for an eye  
I don't get mad, I get even  
I get even, even, even
