For years I said that I was a rocker  
I been a cool kid, you know rolling and rocking  
So hearing Ye spaz ain't shocking, he on topic  
These niggas tryna ball but they just rock and jocking  
The basket too tall, so tryna score ain't an option.

So much dead whack music, I'm throwing these black tulips.  
These rap humans is bad moving like Pat Ewing  
Traded to Seattle after both his knee caps ruined.  
Mmmmm, when from my mama house to on a couch  
Then a duplex in Chelsea whenever John was out  
Yo, Shapiro, I'm like a pharaoh  
Let's work, I can get our accounts commas and zeros.  
Rock star without the long hair and guitars  
Wanna talk to God, but for now I just stare at the stars.  
I'll make you feel my wrath like Elian Gonz

Private art galleries, yeah!  
Publishing checks is looking like ya salary, yeah

And then rappers don't want to be no RNB, nigga  
Not a rapper is the new RNB niggas!

They act like they don't notice  
Until it get flooded and then they wanna know us  
That's Biblical!

Once it got flooded they wanna Noahs  
My man pull up in one too, it's like they cloned us  
And they red See?! They probably think I'm Moses
