

# Doo Wah Days

Mickey Gilley

Back in the doo-wah days  
We had a ball  
Nights on the boardwalk  
We had it all

Time just skipped away  
Back in our doo-wah days

Back in the doo-wah days  
When we were young  
Life was a carousel  
We fell in love

Time just skipped away  
Back in our doo-wah days

Be bop a lu, Peggy Sue  
Those songs bring back old memories  
Shupbop, shoowah, shananana  
Those words mean so much to me

Back in the doo-wah days  
You held me tight  
You never let me go  
It still feels so right

It's just as good today  
Back in our doo-wah days

Back in our doo-wah days  
We had a ball  
Nights on the boardwalk  
We had it all

Time just skipped away  
Back in our doo-wah days

Back, back in our doo-wah days  
We had a ball  
Nights on the boardwalk  
Honey, we had it all

Time just skipped away  
Back in our doo-wah days

Back in our doo-wah days  
Back in our doo-wah days  
Doo-wah days
