## Let It Be Me

## **Mickey Gilley**

I bless the day I found you I want to stay around you And so I beg you Let it be me.

Don't take this heaven from one If you must cling to someone Now and forever Let it be me.

Each time we meet love I find complete love Without your sweet love What would life be?

So never leave me lonely Tell me you love me only And then you'll always Let it be me.

Each time we meet love
I find complete love
Without your sweet, sweet love
What would life be?

So never leave me lonely Tell me you love me only And then you'll always Let it be me.

Now and forever Let it be me...
