

# Paradise Tonight

Mickey Gilley

Honestly, I can't believe the magic you do  
Never seen anything as lovely as you  
I was so afraid  
I was so alone an' blue  
I took you in my arms  
Now I'm goin' home with you.

I'm gonna wake up in your arms tomorrow  
You gonna make it the night of my life  
I'm gonna wake up in your arms tomorrow  
Thank you for takin' me to paradise tonight.

I was so afraid  
I was so alone an' blue  
An' I took you in my arms  
Now I'm goin' home with you.

I'm gonna wake up in your arms tomorrow  
You gonna make it the night of my life  
I'm gonna wake up in your arms tomorrow  
Thank you for takin' me to paradise tonight.

Ooh, so this is paradise  
Ooh, so this is paradise  
Paradise all night.

I'm gonna wake up in your arms tomorrow  
You gonna make it the night of my life  
I'm gonna wake up in your arms tomorrow  
Thank you for takin' me to paradise tonight.

Ooh, so this is paradise  
Ooh, so this is paradise  
Paradise all night.

I'm gonna wake up in your arms tomorrow  
You gonna make it the night of my life  
I'm gonna wake up in your arms tomorrow  
Thank you for takin' me to paradise tonight...
