

Please Love Me Forever

Mickey Gilley

Please love me forever
Darlin', don't forget me ever
Just listen to my plea
Please don't stop loving me.

You're in my dreams nightly
Please don't take my love lightly
I'm begging on bended knee
Please don't stop loving me.

When I lay me down to sleep
I pray the Lord your love I'll keep
If I should die before I awake
I'll come back to you
There will be no mistake.

And I'll love you forever
I won't forget you, never
Our love was meant to be
Please don't stop loving me.

When I lay me down to sleep
I pray the Lord your love I'll keep
If I should die before I awake
I'll come back for you
There will be no mistake.

And I'll love you forever
I won't forget you, never
Our love was meant to be
Please don't stop loving me...
