

She Called Me Baby

Mickey Gilley

She called me "Baby, Baby"
All night long.
She used to hold and kiss me
'Til dawn.

Then one day I awoke,
And she was gone.
There's no more "Baby, Baby"
All night long.

She called me "Baby, Baby"
All night long.
Kissed away all my fears
When things went wrong.

And each night in dreams
Like a song
I still hear "Baby, Baby"
All night long.

She called me "Baby, Baby"
All night long.
Kissed away all my fears
When things went wrong.

Oh, what I'd give
If she'd would come back home
And call me "Baby, Baby"
All night long.

And call me "Baby, Baby"
All night long...
