

## Since I Fell For You

Mickey Gilley

When you just give love  
And never get love  
You'd better let love depart  
I know it's over, and yet I know  
I can't get you out of my heart.

You made me leave my happy home  
You took my love and now you're gone  
Since I fell for you.

Love brings such misery and pain  
I know it'll never be the same  
Since I fell for you.

Well, it's too bad  
And it's too sad  
I'm still in love with you  
You love me and then you snub me  
What can I do?  
I'm still in love with you.

I, I guess I'll never see the light  
I get the blues most every night  
Since I fell for you.

Well, it's too bad  
And it's too sad  
I'm still in love with you  
Oh, you love me and then you snub me  
Honey, what can I do?  
'Cause I'm still in love with you.

Oh I, I guess I'll never see the light  
I get the blues most every night  
Since I fell for you.

Since I fell for you...
