

Since I Met You Baby

Mickey Gilley

Since I met you baby
My whole life has changed
Since I met you baby
My whole life has changed
And everybody tells me
That I'm not the same.

I don't need nobody
To tell my troubles to
I don't need nobody
To tell my troubles to
'Cause since I met you baby
All I need is you.

Since I met you baby
I'm a happy man (yes, I am, baby)
Since I met you baby
I'm a happy man
And I'm gonna try to please you
In every way that I can.

Yes, I'm gonna try to please you
In every way I can...
