

# That's All That Matters To Me

Mickey Gilley

I know, I'm not your first love  
There's been others before me,  
But I'm the one that's got you now.  
That's all that matters to me.

And I know other arms have held you  
I'm not jelous of these,  
Mine are thee arms that hold you now,  
That's all that matters to me.

I came alive when you came along,  
You brought life into me.  
Honey, I don't care, what's in your past,  
Your as far as I can see.

And I know other lips have kissed you  
I know you've been thrilled and pleased,  
But mine are the lips that kiss you now  
That's all that matters to me.

Mine are the lips that kiss you now  
That's all that matters to me...
