## There I've Said It Again

## **Mickey Gilley**

I love you, there's nothing to hide It's better than burning inside I love you, no use to pretend There, I've said it again.

I've said it, what more can I say Believe me, there's no other way I love you, I will to the end There, I've said it again.

I've tried to drum up A phrase that would sum up All that I feel for you But what good are phrases The thought that amazes Is you love me and it's heavenly.

Forgive me for wanting you so But one thing I want you to know I've loved you since heaven knows when There, I've said it again.

Forgive me for wanting you so But one thing I want you to know I've loved you since heaven knows when There I've said it again...
