

# True Love Ways

Mickey Gilley

Just you know why,  
Why you and I  
Will by and by  
Know true love ways.

Sometimes we'll sigh,  
Sometimes we'll cry,  
And we'll know why,  
Just you and I  
Know true love ways.

Throughout the days  
Our true love ways  
Will bring us joy to share  
With those who really care.

Sometimes we'll sigh,  
Sometimes we'll cry,  
And we'll know why  
Just you and I  
Know true love ways.

Throughout the days  
Our true love ways  
Will bring us joy to share  
With those who really care.

Sometimes we'll sigh,  
Sometimes we'll cry,  
And we'll know why  
Just you and I  
Know true love ways.

Know true love ways.

Know true love ways...
