

## Lie To Me Darlin'

Mickey Newbury

I said you can lie to me darlin'  
But darlin' lie in my bed  
Tell me you love me  
When I know you love him instead

And I will hang on  
Until I'm hanging on by one thread  
Yes you can lie to me darlin'  
But darlin' come lie in my bed

I love the look in your eyes  
When I have found you  
While on the wall  
All the shadows are falling around you

So let me pretend  
It won't end when I know it is bound to  
You can lie to me darlin'  
But darlin' lie in my bed

Oooo oh how you move me  
Oooo when you come to me

I will hang on  
Until I'm hanging on by a thread  
So you can lie to me darlin'  
But darlin' lie in my bed

Yes you can lie to me darlin'  
But darlin' lie in my bed
