Aria

Middle Class Rut

Ladies and jello? Everything was fine Everything was fine Until I turned this thing into a cello Everything was fine Everything was fine Until I made it into a cello Everything was fine Everything was fine Everything was fine Until I made it into a cello Until I made it into a cello I met pet fret Maybe it's twelfth I can't see straight So I don't know What he weighs I'm slapping my guitar It's made by Aria It's made by Aria Get up off my Aria
