

Cornbread

Middle Class Rut

Maybe I'm a cornbread straight motherfucker
Maybe I'm a worn out featherless hen
Maybe I'm a cornbread straight motherfucker
Maybe I'm a worn out featherless hen
Or maybe I'm just pickin' seed from the wrong one and

I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
No

Maybe I'm a one horse town motherfucker
Maybe I'm used up, worn out man
Maybe I'm a one horse town motherfucker
Maybe I'm used up, worn out man
Or maybe I'm just barkin' up the wrong tree and

I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?

Can I meet you?
Can I meet you?
Can I meet you?

You spend all your life
Dicking at, dicking away at the wrong life
You're a traitor
You're a traitor
You spend all your time
Dicking at, dicking away at the wrong life
You're a traitor
You're a traitor

Maybe I'm a spineless, weak-kneed, yellow bellied he-she
Maybe I'm an undercover deadbeat suffering cold feet
Maybe I'm a spineless, weak-kneed, yellow bellied he-she
Maybe I'm an undercover deadbeat suffering cold feet
Or maybe I'm just shooting with the wrong gun and

I'm a cornbread
Can I meet you?
Can I meet you?

Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?

I'm a cornbread
Can I meet you?
Can I meet you?

I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?

Oh

Can I meet you?
