Sad To Know

Middle Class Rut

They said "you better go back to school
for all the things that you never did learn"
But your sister is on fire
and I'm gonna let it burn
And you know that they're calling you
But you don't hear a thing
And you know that they're calling you
But you ain't listening

Yeah, it's sad to know
That you're just yourself
Yeah, it's sad to know
You got no one else

And this life belong to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do, oh

You better cover up lies
You gotta put them bones away
And your past ain't the present
It's just your guilt wrapped up that way

And your future's calling you
But you don't hear a goddammed thing
And your future's calling you
But you ain't listening, no

You ain't listening

Yeah, it's sad to know
That you're just yourself
Yeah, it's sad to know
You got no one else
And this life belong to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do

There ain't nothing you can do

Yeah, it's sad to know
That you're just yourself
Yeah, it's sad to know
You got no one else
And this life belong to me
It don't belong to you
Yeah, it's sad to know
That there's nothing you can do

There ain't nothing you can do
