

Samson & Delilah

Middle Of The Road

Samson and Delilah
Lived a long long time ago.
She was undecided
But man that hair just had to go.
Na na na na na...
Ain't no glory in this fable
Like the story Cane and Abel
Samson's gonna turn the tables.

Samson had a feeling
That God would guide his feeble hand.
Man you should 've seen him
Pushin' pillars from the stand.

On the Friday evening
Things were going mighty fine
Then he started sleeping
'cos she slipped something in the wine.
Na na na na na...
Samson neatly turned the tables.
Ain't no glory in this fable.

Samson had a feeling...
Like the story Cane and Abel
Samson neatly turned the tables.
