

Cold, Cold Heart

Midge Ure

Come stand beside me Come gather 'round me Come stand beside me
, come gather 'round me And heat this cold, cold heart

When I was just a boy The voice of an angel came to me It said
your future is there Inside your cold, cold heart But I was jus
t a boy And a boy sees what he wants to see And I saw nothing t
o share Inside this cold, cold heart Somebody should have told
me That when you're born to this world Your life starts slippin
g away

Come stand beside me (cold heart) Come gather 'round me (cold h
eart) Come stand beside me, come gather 'round me And heat this
cold, cold heart With love inside me (cold heart) With arms ar
ound me (cold heart) With love inside me, with arms around me W
e'll heat this cold, cold heart

When I became a man The voice of a devil said to me It said for
ever you'll live Inside your cold, cold heart But I'm a better
man A wiser man who wants to be free To have someone to care Ab
out this cold, cold heart Somebody should have loved me They sh
ould have taken me on Instead of taking away

Come stand beside me (cold heart) Come gather 'round me (cold h
eart) Come stand beside me, come gather 'round me And heat this
cold, cold heart With love inside me (cold heart) With arms ar
ound me (cold heart) With love inside me, with arms around me W
e'll heat this cold, cold heart

Ohhh... Come stand beside me Come gather 'round me Come stand b
eside me, come gather 'round me And heat this cold, cold heart
With love inside me (cold heart) With arms around me (cold hear
t) With love inside me, with arms around me We'll heat this col
d, cold heart

Come stand beside me (ohhh...) Come gather 'round me (ohhh...) Come
stand beside me, come gather 'round me And heat this cold,
cold heart With love inside me (cold heart) With arms around m
e (cold heart) With love inside me, with arms around me We'll h
eat this cold, cold heart

Come stand beside me (cold heart) Come gather 'round me (cold h
eart) Come stand beside me, come gather 'round me And heat this
cold, cold heart With love inside me (cold heart) With arms ar
ound me (cold heart) With love inside me, with arms around me
