

[Midget Verse 1]

I get it all the time
Just gotta stay on my grind
Keep my mind right
Front to the back of the timeline
Give my fans my time
What's poppin' slime
Hate the dot on the line
Jump like the frog in the road
My time off but on overload
You know I be killin' it
I be on gorilla s--t
Eat beats like cheese steaks
I be on that Philly s--t

You on the hit list

[Midget Verse 2]

A to Z, ABC
Check 1, 2, 3
A to D, crash test dumb-E
Stop pause...
They try to play me though
I'm tryna get my song on the radio
The fans got crazier, infered lasers
They turn blue like the lakers
And when they rap they skip a beat like pacers
They write Crayola
But they cry Layotion
