

Put the Hurt on Me

Midland

Girl, you already got me
Go on and throw out the key
You lock me up with your body
That's the only way I'll ever be free

Kill me softly baby with your kiss
If I go I wanna go like this
Come on be as cruel as you can be
Ya baby put the hurt on me

Don't have to promise tomorrow
I know that's only a lie
But one more taste of your sweet poison
Is gonna burn me just right

Kill me softly baby with your kiss
If I go I wanna go like this
Come on be as cruel as you can be
Ya baby put the hurt on me

Oh yeah
Baby put the hurt on me

Come on, come a little closer to me
Let the heartache just wash over me

Kill me softly baby with your kiss
If I go I wanna go like this
Come on be as cruel as you can be
Ya baby put the hurt on me

Oh yeah
Yeah baby put the hurt on me
Oh yeah, oh yeah
Yeah baby put the hurt on me
Put the hurt on me
On me
