## Put the Hurt on Me

Girl, you already got me Go on and throw out the key You lock me up with your body That's the only way I'll ever be free

Kill me softly baby with your kiss If I go I wanna go like this Come on be as cruel as you can be Ya baby put the hurt on me

Don't have to promise tomorrow I know that's only a lie But one more taste of your sweet poison Is gonna burn me just right

Kill me softly baby with your kiss If I go I wanna go like this Come on be as cruel as you can be Ya baby put the hurt on me

Oh yeah Baby put the hurt on me

Come on, come a little closer to me Let the heartache just wash over me

Kill me softly baby with your kiss If I go I wanna go like this Come on be as cruel as you can be Ya baby put the hurt on me

Oh yeah Yeah baby put the hurt on me Oh yeah, oh yeah Yeah baby put the hurt on me Put the hurt on me On me
