

## Unpayable Silence

Midnattsol

A rare silence you can't pay  
The wishes, they are safe  
In my box of treasure  
But you smelled my life!  
The warmth is sparkling inside  
The luckiest miserable eyes I've seen  
They shine through mountains so high

I weep, I fall!  
'Cause I have seen the light  
One blink and I'm done  
Those caresses with your eyes

Your eyes

My rose is blooming and sending her scent  
To you my wanting one  
My restless aura is touching you  
From a hundred miles away  
A silence you can't pay

No religion can describe  
No feelings meant to hide  
Surroundings raised by whispering fields  
Over broken skills  
Enchantment's lurking over the hills  
The power of bonds will succeed
