Twenty Thousand Leagues

Midnight Juggernauts

Floating over High up above So far, so good Twenty thousand Leagues down below So far, so good

Day by day, calling out Calling out to you Day by day, calling out Calling out to you

Day by day, calling out Calling out to you Day by day, calling out Calling out to you

Watching over Dropped from above So far, so good Falling under Deep down below So far, so good

Day by day, calling out Calling out to you Day by day, calling out Calling out to you

Day by day, calling out Calling out to you Day by day, calling out Calling out to you
