

Gravelrash

Midnight Oil

Skating down the street just beware;
People dropping dirt bombs everywhere.
When you smell that asphalt grin
And you feel it burn your skin

Its gravelrash!
Burning on your ass
Gravelrash.

Stay away from those cheap mopeds
Dangerous on the road protect your head
Enjoy the sun the beach and the smiles
Beware the sand on the corner arhh!
Its Gravelrash!
Burning my ass
Gravelrash oh yeah!
Woo hooo! alright!

Gravelrash.
Thank You Goodnight.
