

# Somebody's Trying to Tell Me Something

Midnight Oil

Breaking me down - lunatic noises  
Breaking me down - desperate voices  
Breaking me down - phone is blistering  
Breaking me down - death by listening

Somebody's out there, somebody's waiting  
Somebody's trying to tell me something  
Somebody's trying to talk to me

Cracking me up - silence threatening  
Cracking me up - storm is deafening  
Cracking me up - pressure brought to bear  
Cracking me up - now I'm getting there
