

Somebody's Trying to Tell Me Something

Midnight Oil

Breaking me down - lunatic noises
Breaking me down - desperate voices
Breaking me down - phone is blistering
Breaking me down - death by listening

Somebody's out there, somebody's waiting
Somebody's trying to tell me something
Somebody's trying to talk to me

Cracking me up - silence threatening
Cracking me up - storm is deafening
Cracking me up - pressure brought to bear
Cracking me up - now I'm getting there
