

Get U Back

Midnight Red

Wait, wait
Baby I'll give you space to breathe
Tell me the truth, what did I do to make you leave
They say,
You never know what you have, till it's gone
I'm alone, baby I need you back

Stop, stop
Cause I can't let you go
Whatever the cost, I'll pay it all to keep you close

Just stop,
All of the walls you built up
Because I'm not ever giving up

Oh, no, no, girl
This time you won't escape,
Can't get away from me

Oh, no, no, girl
This time I'm taking back
All that belongs to me

Ohh oh,
I'm losing lots of control
You're the only one I want
No matter what, I'm not gon' stop
Until I get you back

Woah oh,
Until I get you back
Woah oh,
Until I get you back

Ohh oh,
No matter what, I'm not gon' stop
Until I get you back

Hold up,
I didn't mean to let you fall
Breaking your heart, leaving the scars
I didn't call

This love,
Never knew what went missing it
Baby today,
Can't you see that I'm different

So now,
I'm not gon' take a chance
How would I live, what would I give
To hold your hand

Break down,
All of the walls that you built up
Because I'm not ever giving up

Oh, no, no, girl
This time you won't escape,
Can't get away from me

Oh, no, no, girl
This time I'm taking back
All that belongs to me

Ohh oh,
I'm losing lots of control
You're the only one I want
No matter what, I'm not gon' stop
Until I get you back

Woah oh,
Until I get you back
Woah oh,
Until I get you back

Ohh oh,
No matter what, I'm not gon' stop
Until I get you back

You're the only person in this world that
Means so much to me
So Ima give it all girl,
Give it all girl
All so you can see

Baby,
You're the only person in this world
Who means that much to me
So Ima give it all girl,
Give it all girl
Baby, can't you see
I'm like,

Ohh oh,
I'm losing lots of control
You're the only one I want
No matter what, I'm not gon' stop
Until I get you back

Woah oh,
Until I get you back
Woah oh,
Until I get you back

Ohh oh,
No matter what, I'm not gon' stop
Until I get you back

Ohh oh,
I'm losing lots of control
You're the only one I want
No matter what, I'm not gon' stop
Until I get you back
