

Hell Yeah

Midnight Red

Hell Yeah let's crash a party like we don't care Whooa
Hell yeah let's crash a party like we don't care
We rock the party we got it locked down
Call up all your friends so we can take this down
Trip me, Go all out, hit it like a leader!
Tonight we'll kick it like Beckham do
Girl my only Goal is to score with you
Then we go all out work it like a leader

And now we are graduating from the school for cool
Play it stupid play it dumb play em all like fools!

Hell yeah let's crash a party like we don't care, Whoa
Hell yeah, Said I won't it all right now and it right here, Whoa
We're gonna make your head spin it round and round
We're gonna take you there let's get loud
Hell yeah, let's crash a party like we don't care
THIS WILL MAKE YOUR HEADS SPIN!

It's no illusion the baddest hands down
Like the way you move it how you bump and grind
Let me, Take control, work it like a leader,
And if you want me tonight go all out and hit it like a leader

And now we have graduated from the school for cool
Play it stupid play it dumb play em all like fools
Hell Yeah! Let's crash a party like we don't care! Whoa
Hell yeah, Said I won't it all right now and it right here, Whoa
We're gonna make your head spin it round and round
We're gonna take you there, Let's get loud
Hell yeah! let's crash a party like we don't care!
This will make your heads spin!

Turn out the lights and lose yourself tonight
(Touch somebody's body)
It's alright to lose yourself tonight
(If you want it want it)
And take your chance and do just what you like
(Do just what you like)
And take your chance and do just what you like, Whoa

Hell yeah
Hell Yeah
We're gonna make your head spin it round and round
We're gonna take you there, let's get loud
Hell Yeah let's crash a party like we don't care
This will make your heads spin!
