

Rockstar Lover

Midnight Red

Oh, I'll be dancing in the V.I.P.
Holla if you wanna party with me
I know you're a rockstar lover, rockstar lover
You're my rockstar lover

I'm in the club right, riding the lime line
And everybody's looking at me cause I'm so fly
Hello Miss Brown Eyes, you're looking good tonight
You've got that apple bottoms and you wear your jeans tight

And I'm like yeah, like it, like it
When you drop in the spot light
Yeah like it, like it, like it
So consider this as an invite

Oh, I'll be dancing in the V.I.P. (that's where you find me)
Holla if you wanna party with me (I know you want to)
I know you're a rockstar lover, rockstar lover
You're my rockstar lover
Oh, up in hear everythings for free (just grab a friend, girl)
Bring a friend, bring two friends of three (know how to find me)
I know you're a rockstar lover, rockstar lover
You're my rockstar lover (rockstar lover)

Just follow me girl and I'll rock your world
It'll be fun and maybe I can play with them curls
I like your hair style, you're looking so wild
All I can think of is what's going on in your mind

And I'm like yeah, like it, like it
When you drop in the spot light
Yeah like it, like it, like it
So consider this as an invite
