

Take Me Home

Midnight Red

You're killing my resistance,
Now i have to let go.
I'm drowning in your stream girl,
I could see haven's door.
I'm running out of fuse,
you know I'm 'bout to explode.
you filling up my lungs,
I swear I'm ready to go.

Don't leave me lonely,
Leave me lonely,
Leave me lonely.
Put it on me,
Put it on me,
Put it on me.

Don't keep me waiting,
This night is fading.
Take me ho oh oh oh oh ome.
I try but is not the same,
Give me your love again.
Take me ho oh oh oh oh ome.
Just wanna be closer,
As the night gets colder.
When the music is over,
Just take me home.
Don't keep me waiting,
This night is fading.
Take me ho oh oh oh oh ome.

I'm finding myself tripping
As I'm reaching your shore
Feeling something ripping
But I'm asking for more
Why ya hide your love from me
I'm losing control
It's so hard when you're falling
While you're climbing at all?

Don't leave me lonely
Leave me lonely
Leave me lonely
Put it on me
Put it on me
Put it on me

Don't keep me waiting,
This night is fading.
Take me ho oh oh oh oh ome.
I try but is not the same,
Give me your love again.
Take me ho oh oh oh oh ome.
Just wanna be closer,
As the night gets colder.
When the music is over,
Just take me home.
Don't keep me waiting,

This night is fading.

You love so good,
How can I forget.
Girl your touch still the best,
You can see all over my chest,
Killing every single piece of me.

You love so good,
How can i forget.
Girl your touch still the best,
You can see all over my chest,
Killing every single piece of me.

Don't keep me waiting,
This night is fading.
Take me ho oh oh oh oh ome.
I try but is not the same,
Give me your love again.
Take me ho oh oh oh oh ome.
Just wanna be closer,
As the night gets colder.
When the music is over,
Just take me home.
Don't keep me waiting,
This night is fading.
Take me ho oh oh oh oh ome.
