

# Wet My Whistle

Midnight Star

Wet my whistle  
Wet my whistle  
Wet my whistle

Just like sweet wine, baby  
Your love's intoxicatin'  
Why'd I have to waste it  
It was much too good to waste it

So, baby, let me love you  
I'll place no one above you  
'Cause I'm hooked baby, on your love  
Just because

I just had to wet my whistle  
When I kissed your lips, girl, I couldn't get enough  
I had to wet my whistle  
Just a little bit, baby, was much too much

Wet my whistle

First I was only playin'  
Now look where love is layin'  
So softly on my pillow (little girl)  
I'll never ever let you go (No, no, no)

Love was never on my mind  
I thought I'd better take my time  
But girl, you drive me crazy  
You're such a real fine lady (you're so fine)

And I'm hooked, baby, on your love  
Yes, I'm hooked, baby, I just can't get enough  
Said I'm hooked, baby, on your love  
Just because

I just had to wet my whistle  
When I kissed your lips, girl, I couldn't get enough  
I had to wet my whistle  
Just a little bit, baby, was much too much

I just had to wet my whistle  
When I kissed your lips, girl, I couldn't get enough  
I had to wet my whistle  
Just a little bit, baby, was much too much

Wet my whistle (yeah, yeah)

Just a little bit (oh), just a little bit (baby)  
A little bit, baby (just a little bit)  
Just a little bit (Of your love), just a little bit (baby)  
A little bit, baby (whoa, whoa)

Just a little bit (baby), just a little bit (baby)  
A little bit, baby (whoa, oh, whoa)  
Just a little bit (oh, baby), just a little bit (oh, baby)  
A little bit, baby

I just had to wet my whistle  
When I kissed your lips, girl, I couldn't get enough  
I had to wet my whistle  
Just a little bit, baby, was much too much

I just had to wet my whistle  
Oh, when I kissed your lips, baby, you knew how to drive me crazy  
Wet my whistle (Oh)  
Just a little bit, baby, was much too much

Wet my whistle

I just had to wet my whistle
