

# You Saved My Soul

Mighty Oaks

The only way, that I was being hot as fire  
Loving me, only touched me so deep  
Can't stop me, on the road is where I go to run  
From the doubts of, oh, my dear, feel that I will go rest my pace (2x)

But you finally came my way and you saved my soul (3x)  
But you finally came my way and you gave me hope (3x)  
2, 3, 4

Was always told that salvation comes to the wrongs  
Hold me close, cause I ain't neva' felt so wrong  
Out in the cold, and if I'm gone, the sorrow that this life holds  
Will not have last the good Lord everyday  
Save me from myself (2x)

But you finally came my way and you saved my soul (3x)  
But you finally came my way and you gave me hope (3x)

2, 3, 4 Soul  
Oh, you came my way and you saved my soul  
Oh, you came my way (2x)  
Oh, you came my way and you gave me hope  
Oh, you came my way and you saved my soul  
Oh, you came my way and you gave me hope
