

Big on Big

Migos

Big on big
Big on big
Big on big

If you havin' paper and I'm havin' paper
How you gon' big on big?
If you havin' neighbors and I'm havin' acres
How you gon' big on big?
If I got the Draco and you got the Sig
How you gon' big on big?
If I'm choppin' that gas, you choppin' that mid
How you gon' big on big?
If I pull out a dub, you pull out a ten
How you gon' big on big?
If your bitch is a five, my bitch is a ten
How you gon' big on big?
You drivin' a Jag, I'm pushin' a Benz
How you gon' big on big?
What you talkin' about? We done been did
How you gon' big on big?
How you gon' big on big?

How you gon' say you gon' driz?
How you gon' one up the seal?
How you gon' do what I did?
Nigga don't know how it feel
How you gon' say you is real?
Nigga lyin' sayin' he havin' act seal
But we both know that ain't real
Nigga lyin' 'bout a quarter mill
He ain't touch it or know how it feel
Nigga talkin' 'bout they independent
Turned around and 360 the deal
Nigga walkin' round with thirties on them
But they know they ain't ready to kill
All my niggas havin' cookie bags
Vacuum sealed and ready to sell
M&M in the mail, I done took a lot of L's
Hundred niggas with the shells, goin' big, well
Pullin' out V12, pickin' up a plate at Kelz
(Can't go big on big)

We the biggest shit poppin', wrist water, no faucet
Bando to a mansion, you havin' condo status
Can't go big and brag it, havin' real big passion
Ever since I was a lil boy, yeah, I'm havin' Huncho status
Can't compare to this, I'm takin' all the risks
Know how to solve a problem, know how to sell a brick
You might be poppin' them bottles, I'm poppin' them bottles and models
You might be ridin' American, my whips is foreign, the throttles
You tryna go big on big, stop it
I put a big hole in your pocket
They say he ridin' around the city broke
That's 'cause he tryna keep up with the 'cho
Eyes closed, whippin' it blind fold
She get on that blow, get bi-polar
Six cell phones and I ain't social

Still goin' big, cut like Magnolia

If you havin' paper and I'm havin' paper
How you gon' big on big?
If you havin' neighbors and I'm havin' acres
How you gon' big on big?
If I got the Draco and you got the Sig
How you gon' big on big?
If I'm choppin' that gas, you choppin' that mid

How you gon' flex on the squad
When you know the bag is large?
Where were you when times was hard?
It's pitiful, how you gon' big when we extra large?
Four car garage, two bad broads
I don't flex or floss, I'm a rockstar
Wth no guitar, Lambo avatar (Lambo)
Sippin' on some tar (Act) I'm livin' above the bar
Wrist on froze, wrist on froze (ice)
Your lil' hoe been my hoe (smash smash)
Green Lambo, Piccolo (skrr skrr)
Diamonds drippin' on me, Nickelodeon (splash)
You goin' too big, you talkin' 'bout money, you bother me
(you makin' me sick)
I own all of my cars, jewelry, and I got property
(I got some property)
Building these houses in places, I'm playing Monopoly
Please do not talk to me
You don't do nothin', you obsolete

If you havin' paper and I'm havin' paper
How you gon' big on big?
If you havin' neighbors and I'm havin' acres
How you gon' big on big?
If I got the Draco and you got the Sig
How you gon' big on big?
If I'm choppin' that gas, you choppin' that mid
