

## Copy Me

## Migos

You rappers you wanna be thirty three still tryna copy me  
Young rich nigga only 19 and you'd better acknowledge me  
Fuck nigga you spitting and rapping like this without Migos consent want apology  
The labels keep talking, the critics keep writing and  
All because we gettin' currency  
I think it's time for extortion  
I'm killing you babies, abortion (Kidnap you niggas my Migos will torture you)  
I told you I'd rather be rich than famous  
Fuck nigga this is my label  
These fuck niggas done stole so much goddamn swag, might as well sell it  
The critics done said it, I might as well tell it  
I'm Activist with my shirt off screaming fuck the world like Makaveli  
QC the label! Solid Foundation!  
Young nigga on the block with the work to the side  
Come up trapping like a fundraiser  
Fuck nigga you know I'm a Migo  
get poked with a razor

Which one of my cars should I drive today? (They all foreign..)  
I don't know  
Which one of my hoes should I fuck today? (They all bad)  
I don't know  
Which one of my chains should I put on? Put 'em all on  
You niggas you know, you niggas you know that you stealin' my flow  
Whatever you with, we with it Whatever you with, whatever you with, my nigga  
we pressing, my nigga we pressing the button  
My niggas ain't stressed they got money, whatever you with, whatever you with,  
h, you know that my niggas we with it

They copy the name, they copy the gang, they copy the slang (they copy my name)  
Versace, Versace we brought that shit back and you niggas is lame  
We hearin' the way that these rappers is rappin' that shit not creative  
What's the difference?  
We some young niggas that signed to no label  
My squad is so deep in the club, your fans and your people don't notice you  
All of my niggas got diamonds, they flashin' they look like a photoshoot  
I pull up in valet, the Audi got soft top but my top is bulletproof  
And now they want jugg and finessin'  
Now they want 'sace the necklace  
At first we didn't expect it and now we expect it  
At first the flow they neglect it and now they respect it  
I'm thanking God for the blessing, (to not have a rat in my session)  
I know that this game is dirty Smith & Wesson

Which one of my cars should I drive today? (They all foreign..)  
I don't know  
Which one of my hoes should I fuck today? (They all bad)  
I don't know  
Which one of my chains should I put on? Put 'em all on  
You niggas you know, you niggas you know that you stealin' my flow  
Whatever you with, we with it Whatever you with, whatever you with, my nigga  
we pressing, my nigga we pressing the button  
My niggas ain't stressed they got money, whatever you with, whatever you with,  
h, you know that my niggas we with it

You must got the rabies, you bitin'  
You copy my swag and I like it  
Young nigga I'm for sale  
Give em' hell!  
Put a nigga on a mission, young nigga won't fail  
Ya'll pussy ass rappers, these niggas they wise  
Never trap, never cap, never been in a trial  
You with it, I'm with it, them hollows start spitting  
These niggas they shaking like Diddy  
Gotta pay the trap on my block, extortion  
80 percent of your guap  
No lie, Versace, it got me a fortune  
Enormous money ain't never gone stop  
Woke up this morning and I played the radio  
Nigga's remedial, sounding like Radio  
Them niggas not talking just pullin yall cards  
Dunk a nigga, Vince Carter  
Bullets have a nigga dancing like Carlton

Which one of my cars should I drive today? (They all foreign..)  
I don't know  
Which one of my hoes should I fuck today? (They all bad)  
I don't know  
Which one of my chains should I put on? Put 'em all on  
You niggas you know, you niggas you know that you stealin' my flow  
Whatever you with, we with it Whatever you with, whatever you with, my nigga  
we pressing, my nigga we pressing the button  
My niggas ain't stressed they got money, whatever you with, whatever you with,  
h, you know that my niggas we with it
