Got your main bitch on the handle
She dropping and popping no castles
I'm smoking on gas like tobacco

I'm drinking on lean taste like Snapple
In the VIP rolling a cord
Passing out mollies to foreigners
They popping them like they some skittles
Two bitches one me, Malcolm in the middle
Hop off up in the new Bugatti, cameras flashing paparazzi
She popping that capsule, no Nazi
I'm twisting the rock like I'm Rocsi
She sweating like she ran a mile
She soaking wet she need a towel
She sucking her lip, biting down
She moaning and making them sounds
She came while she sucking me now
I'm looking at her like damn
Hannah making them go bananas
She fucking and sucking on camera
Pop a handle, she got stamina
My Jag ceiling panorama
I'm beating the pussy like Michael
I call her Dirty Diana
