

# Look At My Dab

Migos

Get in there, get in there  
Got me dabbin', Yung Rich Nation gear  
Lookin' like I'm not from around here  
Young nigga dabbin' out the atmosphere  
You niggas still sayin' swag  
My niggas switched it up we call it dab  
Step out with a light dab I call it a jab  
Michael Jordan I'm perfecting my craft  
No money counter, count it up with my hands  
Young nigga, I can show you how to do math  
Sippin' on drank, I pour up some muddy  
My nigga not tryin' to remember my past  
Don't come to my hood if you ain't got a pass  
Eat up the dab like linguini and crab  
Mr. McMahon, I fire you and your staff  
Watchin' you niggas dabbin' made me laugh  
Dabbin' is a way of fashion, touchdown like I'm Takeoff McFadden  
Call a play like I'm Takeoff John Madden  
Should get a platinum plaque from all this dabbin'  
You niggas should get a Grammy, the way you actin'  
Enough of that swag I put it in a casket  
Look at my dab, yo bitch droppin' her panties  
I feel fantastic, immaculate dabbin'  
Stay off my grass, call me Takeoff Stanley

[Hook: Quavo]

Look at my dab, dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Look at my dab, bitch dab  
Get in there, get in there  
Get in there, get in there, bitch dab  
Get in there, get in there, bitch dab  
Get in there, get in there, bitch dab  
Get in there, get in there, bitch dab  
Get in there, get in there, bitch dab  
Get in there, get in there, bitch dab  
Look at my dab

[Outro: Takeoff]

So now niggas dabbin'  
Before it was swaggin'  
Nigga thinkin' that it's just a dance  
When dabbin' is a way of fashion  
See I'm tryin' to teach y'all the rules and regulations  
Cause there's a lot of niggas out here perpetrating  
No temptations, Migos sensation  
Seen a lot of faces, why not make a Young Rich Nation
