

Take Her

Migos

Pull up and I got the juice (I got the juice)
She looking at me and she chose (know she gone chose)
Wanna take her to the room (wanna take her)
I'm finna take her to the room
Wanna take her man, I wanna take her, wanna take her, wanna take her
Wanna take her man, I wanna take her, wanna take her, take her to the room
I wanna take her to the room, wanna take her, wanna take her to the room

Wanna take her to my room (take her)
Can I take you to my room?
I got a big house, I live in a mansion
I got a lake you can canoe
Every time she see the juice
She say its scaring her like peek-a-boo
I take her, go dip in the mall
She walking out, Christian Louboutin shoe
Came from 100 bands in the trap house
To making millions on the mic now
Remember the days in the bando
Used to pull up it look like the white house
She act just like me and she humble
She look like her momma
She can get anything from me keep the hunnas
But a nigga gotta keep the commas
Remember the days, surprise on your birthday got you the H3 Hummer
Now we on the phone and she on the road
She gonna go get the blue bundle
I know that she loyal (know that she loyal)
Now I gotta go spoil her (gotta go spoil her)
Man, she look like Kimora (look like Kimora)
Wanna ride like Sequoia

Pull up and I got the juice (I got the juice)
She looking at me and she chose (know she gone chose)
Wanna take her to the room (wanna take her)
I'm finna take her to the room
Wanna take her man, I wanna take her, wanna take her, wanna take her
Wanna take her man, I wanna take her, wanna take her, take her to the room
I wanna take her to the room, wanna take her, wanna take her to the room

Oooh wanna take her to the room
Oooh let that bitch blow me up like a balloon (sucking me up)
Kissing my Maison Margiela undewear costume
Hey girl look at you
Make a nigga wanna give you the blue (damn)
I'm liking the way you move
Austin Power baby groove
Take you to Montreal, Canada
Let you dive off in my 15 feet pool
All ya vehicles they old
Babygirl want some new?
She say she want the 2014 Bentley
Babygirl what you gone do?
Is it me? (is it me?)
No, I think it's you (I think it's you)
No offense to you, but I ain't spending my money on you
She said, "Noooo, baby don't go"

But I ain't spent my money on a bitch since 1994

Pull up and I got the juice (I got the juice)
She looking at me and she chose (know she gone chose)
Wanna take her to the room (wanna take her)
I'm finna take her to the room
Wanna take her man, I wanna take her, wanna take her, wanna take her
Wanna take her man, I wanna take her, wanna take her, take her to the room
I wanna take her to the room, wanna take her, wanna take her to the room

Feeling like T.I.
I take her (T.I.)
Take her to the Himalayas
I am a player, I've never been savior
I pull up Audi like the raiders
Your bitch wanna fuck with my pimpin
Cause I be dripping, dabbing all on your bitches
My pockets is fat, but my pants leg is skinny
Louboutin pennies cost a pretty penny
My bitch is so bad like I dreamed a genie
Phantom pulling up after that Lamborghini
Magically taking your bitch
Houdini (wala)
I call her my chef order linguine
I take her, debate her, I trade her
I might hit her later
My niggas bust her open like a baker (I fucked her, I smashed)
I skeeted all over her naval
I call my partner pass her to my neighbor
I do not trust her, she sucking the plastic
I beat it, I killed it, put it in a casket
She the talk of the trenches they know she nasty
They know that she ratchet that she is not classy
I'm cool on her (I'm cool on her)
I'll send her right back, give me this girl (you can have your hoe)

Pull up and I got the juice (I got the juice)
She looking at me and she chose (know she gone chose)
Wanna take her to the room (wanna take her)
I'm finna take her to the room
Wanna take her man, I wanna take her, wanna take her, wanna take her
Wanna take her man, I wanna take her, wanna take her, take her to the room
I wanna take her to the room, wanna take her, wanna take her to the room
