

Anna

Miguel Bosé

Strolling up the avenue
Down in Hollywood
Broken heart, my eyes in tears
That's the way I feel

Searching all over, over and over
Hoping to see you
Searching all over, over and over
Anna, where are you

Oh, oh, oh

Anna, how hard it's to love you
Anna, I'll never forget you

Strolling up the avenue
Down in Hollywood
Looking for your company
Please come back to me
Searching all over, over and over
Makes me feel so bad
Searching all over, over and over
Anna, please come back

Oh, oh, oh

Anna, how hard it's to love you
Anna, I'll never forget you
