Miguel Bosé

He is twenty-three
The one you'd like to be
Nice and sporty, about six, three
Clever and quick

Boy, you've got a friend
A golden fist in fight
He'll give us what we had and lost
He is the light

If you wanna be free
Vote Johnny 23
Good for society

Babe, come on and try
And let him hold you tight
Strong and tender, he'll touch your skin
Do it tonight
